## RESIDENT Pre-Congress Workshop

**Saturday, August 9th**  
12:00 – 4:00 pm CT

### Beyond the Books: Wellness and Wisdom Workshop for Residents

Step into a workshop designed just for you, the dedicated nurse anesthesiology resident. “Beyond the Books” offers a refreshing space to explore strategies for success, prioritize your well-being, and connect with the wisdom of others who are walking this path.

**Join us for:**

- Inspirational speakers sharing actionable tips on navigating your program with confidence and balance.
- Well-being insights to help you thrive mentally, emotionally, and physically.
- A live recording of the AANA’s nurse anesthesiology resident podcast, Grade 1 View, exploring the realities of nurse anesthesiology programs, featuring authentic voices and shared experiences.
- A personal resident story that will inspire, uplift, and remind you that you’re never alone in this journey.
- An opportunity to connect with other residents across the country to share experiences, insights, and guidance.
- An AANA overview highlighting how your professional association supports your personal and professional growth. Whether you’re seeking practical tools, a sense of community, or simply a moment to pause and reflect, this workshop offers the opportunity to go beyond the books and embrace the full spectrum of resident life.
